

It is a privilege to serve General Trass High School and the East Carroll Parish community as the principal of GTHS. I am excited and eager to bring my skills as an educational leader to General Trass High School and work with you as a partner in education to ensure your child's success.

The teachers, staff, and administration at General Trass High School are committed to providing high-quality education, along with appropriate extra-curricular opportunities, that will meet the needs and interests of all the students here on campus. I challenge each student to take full advantage of all that is offered here at GTHS so that you can make your high school life successful, enjoyable, and most importantly, meaningful. I truly believe that every student on this campus has the ability and the potential to accomplish great things! Beginning with the first days of school, I challenge each of you to begin developing, displaying, and honing your character traits and Panther Pride that will help lay the foundation for your future successes.

As you work through your years at GTHS, I challenge each of you to set goals and standards that will be above those set by most high school students. Your time at GTHS is foundational to your future success, and we are confident about the positive impact each of our students will make in the world.

I look forward to the challenges of tomorrow and, with that, I am excited about the future of General Trass High School. Together we will continue to move forward and find new ways to achieve academic greatness, further instill and inspire Panther Pride and traditions, and create lasting high school memories. My door is always open and I welcome your input. Please feel free to call or email me to discuss any concerns you might have throughout the school year. "Excellence is the only option!"
