

Parents(s)/Guardian(s):

The East Carroll Parish School District has partnered with the Louisiana Department of Health to conduct COVID-19 testing on all school campuses. A parent or guardian must register any minor child under 18 years old. By registering, you will give a one-time consent and HIPPA (Privacy) authorization. Parents will receive a text message or email of their child's results. Testing will be done at each student's individual school as scheduled weekly and whenever the need arises. Testing is highly encouraged to keep our school community safe, healthy and open. COVID-19 testing in our schools is a convenience to our parents and a great benefit to our students and staff. **All participants will receive \$25 for the first test and \$10 weekly thereafter.**

How to Register your child for the In-School COVID-19 Testing Program with the Louisiana Department of Health?

1. Locate the school that your child attends below. If you are a staff member, locate the school where you work.
2. Select the link beside the appropriate category (staff, student, community member). A new window will open.
3. Follow the instructions to complete the application. It takes about 5 minutes.
