Question: If this is the 470 for the WAN connections, can you provide the addresses for the sites to be connected and confirm that the Central Office/Media Center is the hub.

Answer: This 470 is for WAN and IA

Please refer to the information on pages 12 and 13 which describes the current location and bandwidths and information about the WAN. Please disregard the reference to a separate RFP. This is the only RFP. The district desires internet access and four (4) WAN connections with bandwidths from 1 to 10 Gbps. Below is a list of the other locations:

Location Name	Street	City	State	Zip
ECPSB Media Center (HUB)	514 3 rd Street	Lake Providence	LA	71254
Southside Elementary School	1307 Charles Jones, Blvd.	Lake Providence	LA	71254
Griffin Middle Academy	1205 Charles Jones, Blvd.	Lake Providence	LA	71254
General Trass High School	702 Martin Luther King Dr.	Lake Providence	LA	71254
