

FYI,

Attention GMA Parents and Guardians,

Thank you for your continued patience and support during these extraordinary times. As with all our work, student and staff safety are our highest priority. Due to recent events with increased cases of COVID-19 within our community, we are taking the necessary precautions to prevent the spread of illness.

Starting tomorrow November 9 – 19 all Griffin Middle Academy student's grades 6th - 8th will transition to virtual learning for all regularly scheduled classes and tutoring. Currently, we have concerns about our in-person academic mode of instruction due to COVID related matters.

Great care and thought went into this decision; however, we regret the hardships this will cause for some of our families. At this time, we believe that this is the right step to take for the health and safety of our students, families, employees, and the community at large.

During this time, students will be required to log on to each class. Attendance laws and requirements will be strictly enforced. To prevent academic regression and the possibility of your child becoming truant, please ensure your child logs in daily and completes all assignments. In-person classes are scheduled to resume on Monday, November 29 after the Thanksgiving Holiday.

Please continue to monitor your child's health. Seek guidance from your medical provider as soon as possible, if your child presents any symptom of COVID-19. If your child or a household member tests positive it is very important that your child's school is aware, and the school nurse is be contacted.

Mrs. Laketha Lane 318-418-0807 or
Mrs. Fleeter Morehouse 318-669-0171

If you have any questions, please contact your child's school.

We are committed to providing you with timely and accurate updates on the best recommendations and guidance from our public health authorities. We will continue monitoring the situation weekly and proceed on a week-by-week basis.
