What: Register Students for COVID-19 Testing

From: Meagan Brown, Superintendent

To: Parents and Guardians of Minor Participants

When: December 1, 2021

Subject: Register your child for our COVID-19 testing program today

Hello Parents/Guardians

The East Carroll Parish School District Testing Program will begin Wednesday, December 1, 2021. In order for your child to participate in the testing, you will need to register your child for the program. Testing will be weekly and on an as needed basis.

The student will receive **twenty-five dollars** for the first test and **ten dollars** weekly thereafter for testing. Click <https://home.color.com/covid/sign-up/start?partner=ldh-ath-906-students> to register your child for the free testing program. Also you can register via phone at 1-877-356-1511.

A parent or guardian must register any minor child under 18 years old. By registering, you will give a one-time consent and HIPAA (privacy) authorization to share your student's results with the school and district. Testing is not required, but highly encouraged to keep our school community safe, healthy and open.

Testing will be done at each student's individual school as scheduled weekly and whenever the need arises. Results will be delivered to the parent by text or email within 24 hours and we will follow-up with you directly if your child has a positive result.

If you have any questions or concerns, please reach out to 318-669-0171 or (318) 418-0807 for school nurses or visit the Louisiana Department of Health website at <https://ldh.la.gov/safer-smarter-schools>.

Thanks for your participation to keep the East Carroll Parish School District community safe and healthy.
